

TIMOTHY FULLER architects

GORHAM SKI SHACK

Our clients have a passion for cross-country skiing and the American Birkebeiner in particular. This Ski Shack is close to the ski trails, embedded in the North Woods, but kept light, simple and open to reflect the nature and temperament of the homeowner.

Design by Tim Fuller with Sara Whicher

Constructed by the Home Owners (with help)

Photography by Troy Theis

This project was designed while Tim was at SALA Architects

Publication

"Happy Trails to Them," Star Tribune, February 18, 2012
